

New Contractor™ & FTx™ Guns

Exclusive New FlexSeal® Design

Introducing breakthrough needle design technology that protects the needle from paint, preventing wear and gun spitting – making the New Contractor and FTx Guns our longest lasting, most reliable guns! You'll get the maximum performance, reliability and comfort that you've come to expect from Graco.

Exclusive FlexSeal™ Totally Enclosed Needle Design (patent-pending)

- Revolutionary needle design has no exposure to paint resulting in 70% longer life!
- Fluid pressure in the gun pushes on the FlexSeal to quickly shut-off needle.
- Needle is completely enclosed – paint no longer contacts the needle, reducing wear.

Consistent Needle Shut-Off

- Spring is outside of the fluid path to eliminate pack out and slow needle shut-off.

Ergonomic Gun Handle

- New Contractor gun's form-fitted handle maximizes operator control and comfort.

Reduced Gun Spitting

- Seat has been re-positioned closer to the tip, 60% "dead space" eliminated.
- Reduced amount of paint left between needle and tip for less spitting on next trigger pull.
- FlexSeal ensures quick shut-off.

Durable Nickel Finish

- Premium nickel finish is corrosion resistant and easier to clean.

GRACO VS OTHER INDUSTRY-STANDARD NEEDLE DESIGNS

Graco's FlexSeal Totally Enclosed Needle Design

Needle is completely enclosed by the FlexSeal to provide consistent and quick shut-off, reducing spitting.

Other Industry Standard Gun Needle Designs

Paint flows directly on needle that moves in and out of a static seal – resulting in needle wear with every trigger pull.

Introducing the new, innovative Contractor and FTx Guns from Graco. Designed to be the longest-lasting guns on the market and continue to be the #1 choice of painting contractors!

Exclusive New FlexSeal Design

- Totally enclosed needle design (patent pending) eliminates exposure to fluid and extends needle life by 70%
- Fluid pushes on seal to quickly shut-off needle and reduce spitting
- Spring located outside fluid path for less fluid restriction and better flow

Modular Needle Cartridge

- Easiest gun to service on the market
- Simply remove trigger cross pin and unthread front housing to change out needle

Ergonomic Contractor Gun Handle

- Form-fit handle provides maximum control and comfort while spraying
- Overall weight is lighter than other airless guns on the market, reducing operator fatigue

New Trigger Lock & Gun Trigger

- Smooth, lightweight trigger pull with simple, thumb-engaged safety lock
- Contractor 2-finger trigger provides more control of the gun while spraying

New Detachable Trigger Guard

- Detaches from bottom and swings clear of gun handle for easy access to gun filter

Easy Out™ Gun Filter

- Filters from the inside out to prevent filter from collapsing
- Interchangeable with Contractor II & FTx II Guns

New EasyGlide™ Swivel

- Exclusive dual-seal swivel design reduces sealing friction under pressure, making this the best swivel on the market!

New Contractor & FTx Guns

Exclusive New FlexSeal™ Design

DESCRIPTION	PART NUMBER	TRIGGER	TIP INCLUDED	GUARD
Contractor Gun	288420	2-Finger	RAC X™ 517	RAC X
Contractor Gun	288425	4-Finger	RAC X 517	RAC X
Contractor Gun	288421	2-Finger	RAC® 5 517	RAC
FTx Gun	288430	4-Finger	RAC X 515	RAC X
FTx Gun	288429	2-Finger	RAC X 515	RAC X
FTx Gun	288431	4-Finger	RAC 5 515	RAC 5

New FTx 4-finger gun trigger – full length trigger is easier to hold in continuous spray.

Modular needle cartridge – easiest gun to service on the market.

Totally enclosed needle design eliminates exposure to fluid and extends needle life.
