

Survivair 2000 Series

Lightweight and easy to maintain. With its comfortable silicone facepiece, this durable, user-friendly half mask air purifying respirator can withstand years of washing and use. One of the industry's lightest respirators, the 2000 Series features an innovative yoke design, and an angled, self-adjusting nose bridge to accommodate safety or prescription eyewear.

- Durable, lightweight silicone facepiece construction
- Large, pliable sealing area for secure fit for almost any facial type
- Improved yoke and head harness design reduce facepiece slippage
- Sliding adjustment system on head harness keeps loose straps secure
- Easily converts to belt-mounted PAPR without the aid of tools
- Available in three sizes

RECOMMENDED USE

Professional users who seek a lightweight respirator that will provide protection in a wide variety of applications.

Survivair PREMIER®

Low breathing resistance for maximum comfort. One of the easiest breathing respirators of its type, the Survivair Premier® incorporates a perspiration port to reduce facepiece slippage and skin irritation. This high quality, silicone respirator includes a soft sealing flange with rolled edges for increased wearer comfort.

- Elastic headstraps adjust at the crown for easy fit and unobstructed vision
- Low profile nosepiece allows for compatibility with eyewear
- Lower breathing resistance than most other available models
- Available in three sizes

RECOMMENDED USE

Ideal for professional users seeking comfort. Low breathing resistance for maximum comfort.

Survivair PREMIER® Plus PREMIUM

Triple flange design equals superior fit, comfort and protection. The Survivair Premier® Plus is our top-of-the-line half mask respirator. Made of soft silicone, it is extremely comfortable, flexible and durable. A triple flange fits a wide variety of facial types.

- Wide, wraparound, pleated silicone facepiece fits a large variety of facial types
- Lateral placement of exhalation valve and cartridge ports enhances field of vision
- Cradle suspension with four-point floating yoke eliminates pressure points to enhance comfort
- Available in two sizes: small and medium/large

RECOMMENDED USE

A triple flange design provides the ultimate in comfort and superior fit for extended wear.
